Consent Practical Principles for Clinicians

www.ebooks.benthamscience.com/book/9781608050932

About the eBook

The approach of this book combines different disciplines into a more unified approach that reflects every day practice and should help professional and trainee clinicians to acquire a wider understanding of the fundamental principles and roles of medical law, ethics and risk management in many situations, particularly in the NHS.

Contents

- ▶ Introduction
- ▶ Golden Rules Of Consent
